DISTRICT COURT.

Court opened pursuant to adjournment and the following business was transacted:

M. Schwartz vs. Jacob Levy, case dismissed.

State of Nevada vs. H. A. Rhoades, Administrator of the estate of Eben Rhoades deceased, suit on the official bond of Eben Rhoades as defaulting State Treasurer. Continued for the term, by consent.

John B. Walten vs. A. B. Dreisbach, continued until to-day.

Hawthorne & Stevens vs. E. D. Sweeney, decree heretofore made in this case ordered amended.

A. D. Treadway vs. Jonas Wilder, continued till to-day, and leave granted to file an amended answer.

John Tuilhet, a native of France took out his final papers as a citizen of the United States, upon making the proper proof, and taking the oath of allegiance.

A venire was ordered for twenty-four trial jurors returnable October 3, at 10 o'clock A. M.

SOMETIMES THEY TELL THE TRUTH.—A delegate to the Dolly Varden Convention on yesterday, (before the organization) opened the entertainment in an informal manner from his chair, in an animated and earnest conversational style, by saying that Lockwood was the hardest man in the county to beat, that he knew more about mechanics, and amalgamation, assaying, reduction of ores, and everything else, than any man in the county, and unless they put the best man they have against him, he would be beat sure, for by G—d sir, Lockwood is lightning. He announced that he was a Democrat, and he would, and could do as much as any man for the ticket, but the present arrangements would not work. We begin to think that there is yet hope for the Democracy for this man told the truth.

U. S. BRANCH MINT REPORT.—The Treasurer of the Carson Branch Mint shipped this morning by railroad to the Bank of California, Virginia City, 28 bars of unparted gold and silver, worth together \$97,615 37; \$51,516 97 of which goes to the credit of the Crown Point mine, and the balance, \$46,615 37, to the credit of the Belcher mine—both of Gold Hill, Nevada.

THE DEMOCRATIC AND LIBERAL REPUBLICAN COUNTY CONVENTION.

This Convention met at the theatre of Moore & Parker at 1 o'clock P. M. yesterday, and was called to order by R. R. Parkinson, Chairman of the County Central Committee. B. F. Small was elected temporary Chairman, and R. Kelly temporary Secretary. Three committees, consisting of four members each, were appointed by the Chair, as follows: On Credentials, Messrs. May, Elliott, Rinkle and Stahl. On Order of Business, Messrs. Torreyson, Mooklar, McClelland and Ambrose. On Permanent Organization, Messrs. Conner, Roche, Cavanaugh and McDonald.

The Convention now took a recess until half past two o'clock.

Convention resumed at half-past two o'clock. The Committee on Credentials reported the following gentlemen entitled to seats in the Convention: P. Cavanaugh, Jr., Charles May, C. B. McClelland, B. F. Small, W. D. Torreyson, I. H. Conner, M. Rinkle, G. B. Cowing, Tom Roche, J. P. Mooklar, J. P. Elliott, A. A. Smith, R. E. Kelly, W. B. A. Temple, Wm. McDonald, Nick Ambrose, John B. Kyle, James Mullen, George Wolfersberger, and Henry Stahl, proxy.

Committee on Permanent Organization reported Peter Cavanaugh, Jr., President, and R. E. Kelly, Secretary. The report was received and adopted, and these officers took their seats.

Report of Committee on Order of business was received and adopted.

A motion by W. D. Torreyson to adjourn until seven o'clock was lost.

B. F. Small now gave his proxy to Peter Cavanaugh and left the Convention. He was immediately followed by W. D. Torreyson, who gave his proxy to J. P. Mooklar, and I. H. Conner, who gave his proxy to Tom Roche (both these last named gentlemen gave verbal proxies) and left in disgust.

The Convention then proceeded to make the following nominations: For State Senator, J. W. Waters; for the Assembly, M. C. Gardner, S. H. Day and A. C. Freeman.

A motion that no nominations be made for the offices of Sheriff and County Recorder, was carried.

The Convention proceeded to nominate the balance of the ticket with the following result: For County Clerk, J. E. Dealey; for Assessor, Geo. W. Chedie; for Treasurer, Gay Thorpe; for District Attorney, Wm. Patterson; for Public Administrator, Alex. Lepert; for County Commissioners, (long term) James Duffly, (short term) Geo. Randall; for Surveyor, T. W. Healey; for Superintendent of Public Instruction, Rev. J. D. Hammond; for Justice of the Peace, Carson Township, R. R. Parkinson; Constable, same township, Elijah Downey; for Justice of the Peace, Empire Township, J. P. Williamson; for Constable, same township, Jos. Walters; School Trustees, Carson Township, Geo. T. Davis, W. L. Yager and Jake Klein; School Trustees, Empire Township, Milton Elstner, Andrew Warner and — Murphy; County Central Committee, Guy Thorpe, A. C. Ellis, A. A. Smith, W. A. Temple, Wm. McDonald, M. R. Elstner and Geo. W. Chedie.

The Convention having completed its labors, now adjourned sine die.

HAS GOT BACK.—Improving the opportunity to return home by rail, Jake Tobriner, our mercantile friend and one of the Republican nominees for the Assembly from Ormsby county, got home yesterday morning. He has been to San Francisco bringing goods for his store. Next Winter, when he is the distinguished gentleman from Ormsby "he will do his level best to make it known that he is not only an enterprising merchant but a clear headed legislator.

EDITH O'GORMAN.—The lecture of Miss Edith O'Gorman at the theater last night was well attended and was a grand success. The speaker is eloquent, sarcastic, witty and argumentative; is well posted on her subject; speaks without fear or hesitation, and carries her audience along with her in her feelings; often eliciting cheers and applause. All were well pleased with what they heard.

PERSONAL.—Mr. J. R. Johnson, merchant of Genoa, was in Carson yesterday. He is one of the stirring men of Western Nevada and has done more to keep his town alive than all the balance of its residents put together. Moreover, he is a square-toed Republican and don't hide his lamp under a bushel. We need more of Johnson's sort in these parts.

THE FIRST TRAIN THROUGH.—The first passenger train through from Reno arrived at Carson at 4:15 yesterday morning. The train consisted of Locomotive "Reno," one mail and express car, one baggage car, and two passenger cars. The train was under the control of Conductor Harry Shrieves, and brought in about eighty passengers.

AN INSANE LAWYER.—Judge Sawyer, formerly a resident of Carson and now District Attorney of Lincoln county, is at Chamberlain's hotel, Reno, suffering from a violent attack of insanity. He is so ungovernable as to make his close confinement necessary. His friends hope that his lunacy is merely temporary.

ON A VISIT TO OLD SCENES.—Geo. Tyrell went over to California last night, meaning to visit Marysville and thereabout and see old friends and "eat some peaches." Good times for him.

STATE LAND OFFICE.

Surveyor General John Day State Register.

This office has lately received from the General Land Office at Washington, approved lists of lands granted to the State by the United States as follows: List No. 4, granting lands in the Austin District amounting to 53,246.59 acres; list No. 11, granting lands in the Carson City District amounting to 27,414.21 acres; list No. 2, granting lands in the Aurora District amounting to 800 acres. These lists were all approved August 26, 1872, and are selected under the grant for Internal Improvements. These approved lists give the State \$1,460.80 acres which is for sale: in fact much of it was sold at the time applied for. Those desiring to purchase on contract under the State law must wait six months. That is they cannot enter into contract with the State for this land until six months after the date of approval to the State by the United States.

THE FIRST TRAIN FROM VIRGINIA.—The first passenger train from Virginia arrived last night on time, consisting of the locomotive Reno, Mail and Express, two passenger cars and a large number of passengers from Virginia, among whom were the Nevada base-ball club on their Western tour. A large crowd of citizens gathered at the depot to see the first through train, and the carriages, omnibuses and hotel-runners reminded us of other times away down East.

ARRIVED.—Wm. Patterson, District Attorney of this county, arrived from San Francisco, and California generally, on yesterday. He reports a splendid visit, and that the Good Templar organization of the Pacific coast is in a very healthy and prosperous condition. He is looking as young as a school boy; and was not kidnapped and carried out of his way by a fair stranger, as on a former trip to the bay. There are none we more gladly welcome back.

RETURNED.—Mrs. Ed. Cushing and children returned yesterday morning from the East where they have been on a visit of several months to their relatives. Mr. Cushing has been sick for some time past and dangerously so from the effects of a severe accident received some three months ago, by being thrown from a buggy. We understand he is improving slowly.

SUPREME COURT.—This Court will be in session next Monday October 7th, for the transaction of business. This being the first day of the October term, persons interested in this Court will remember the time and shape their affairs accordingly.
